ON THE MOVE

Eric Mathews

New Position:

Associate director of corporate research and development, FedEx Institute of Technology

Q&A:

Place of Birth: Edina, Minn.

Education: Rhodes College, B.S. chemistry; University of Memphis, M.S. psychology

Career advice: Dream big, work hard, and be sure to have fun.

What you most like about your job: Connecting with and learning from top thought and business leaders in our region and around the globe.

First job in your field: Assistant director of research development, FedEx Institute of Technology

Personal: Son of Chris and Christine Mathews of Little Rock, Ark.; brother of Evan and Shea Mathews of Fort Worth, Texas; Eagle Scout and Leadership Academy Fellow

Personal hero: My parents

Books read recently: *Good to Great* by Jim Collins, *Rules for Revolutionaries: The Capitalist Manifesto for Creating and Marketing New Products and Services* by Guy Kawasaki and Michele Moreno, and *The Tipping Point: How Little Things Can Make a Big Difference* by Malcolm Gladwell

Person you would most like to meet: Dalai Lama

Favorite quote: The people who are crazy enough to think they can

change the world, are the ones who'll do it.

Favorite vacation spot: Italy
Favorite restaurant: Tru in Chicago

Recently viewed film: "A Class Divided," a Frontline documentary on how Iowa third graders experience discrimination first-hand.

Likes about Memphis: Entrepreneurial history and potential for even greater growth.

What do you most enjoy doing in your free time: Engaging in stimulating conversation with the sharp young minds of the University of Memphis, followed closely by playing soccer with fellow Memphians.
